

Introducing Instant Boat Hull Cleaner

**IF YOU DON'T USE POWERHOUSE...
YOU ARE MISSING THE BOAT!**

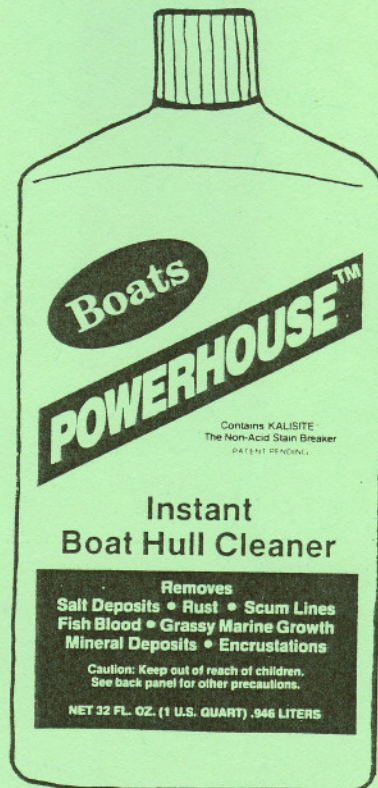

EASILY & QUICKLY REMOVES TOUGH HULL STAINS!

Quickly removes scum lines, rust, fish blood, salt deposits, oxides, grassy marine growths and encrustations from boat hulls. No scrubbing and no rubbing.

CONTAINS KALISITE!

POWERHOUSE contains Kalisite[®], a compound developed to safely remove all types of mineral stains and deposits.

SAFE ON ALUMINUM, FIBERGLASS & PLASTIC BOAT HULLS!

Trust POWERHOUSE to work safely and effectively on almost any outside boat hull surface. Watch as stains you thought were permanent disappear before your eyes.

POWERFUL NEW FORMULA!

America's #1 hard water stain remover has been used by professionals all over the United States. It is a high performance, thoroughly proven, powerful formula. Spend your time enjoying life not rubbing and scrubbing your boat.
